

Governor Chris Christie

May 20, 2011

Dear Friend,

On Tuesday, June 7th, you can help continue our fight to bring fiscal responsibility, accountability, and reform to state and local government by voting for the **Passaic County Regular Republican Organization** (PCRRO) candidates running in the Primary Election on **Row D**:

Passaic County Surrogate: Lawrence "Larry" G. **Tosi**

Passaic County Freeholders Robert **Ceberio** and Frank **Fusco**

The Passaic County Regular Republican Regular Organization candidates are ready to join me to take action:

- To cut spending and waste, not raise your taxes;
- To hold "shadow governments" like the Passaic Valley Sewage Commission accountable and end the waste and political patronage that drive up our taxes;
- To reform the broken public employee benefits and pensions system to protect both taxpayers and workers; and
- To enact education reforms to ensure that all our children get the quality education they deserve.

The Passaic County Regular Republican Organization's candidates support the reforms I am working so hard in Trenton to enact. I need local reformers joining me in the fight in Passaic County, and that's why I'm asking for your support.

On June 7th, join me in supporting Passaic County's Republicans on PCRRO's Row D.

Sincerely,

Chris Christie
