Dear Friend:

In 2009, I was proud to have received the endorsement of the Passaic County Education Associations, Inc., when I ran for the office of Passaic County Clerk. I truly believe their support made all the difference when I was elected as a Republican in Passaic County in a year that saw Governor Corzine win our County by over 9000 votes. Since that time, I have continued my relationship with the PCEA and value the friendships I have made over the past few years.

I am once again asking for your help in the upcoming primary election scheduled for Tuesday, June 7, 2011. I am supporting **Michael McLaughlin** for Surrogate, **Donna Anderson** and **Michelle Joustra** for Freeholders. They are common sense conservative Republicans who will work together to make Passaic County an affordable and better place to live, work and raise a family. They are not the party of Governor Chris Christie and Scott Rumana who have threatened the health benefits, pensions and collective bargaining rights of all teachers and public servants in New Jersey.

McLaughlin, Anderson and Joustra are the candidates for **all** the people of Passaic County. We must all work together to protect our livelihoods and our future.

Please help us in our fight against the anti-union regime of Christie and Rumana by voting for "Republicans for a Better Passaic County" on **Row "C"** in the primary election on Tuesday, June 7, 2011.

Sincerely,

KRISTIN M. CORRADO
